Meeting Number	**01**
Date	**1st January 2025**

Minutes of Meeting of Heads of Department

Time: 10:00am to 11:30 am

Venue: NAAC Room

Agenda

1. **Welcome Address**
2. **Online General Knowledge Test – 2025**
3. **AQR 2023-24 Review**
4. **Faculty Increments and Incentives**
5. **BVCOEW Funding Structure**
6. **Summary Sheet of Student Internships**
7. **Internship Program Collaboration**
8. **Placement Strategy for Improved Record**
9. **Introduction of Additional Sessions for S.E., T.E., B.E. Students**
10. **Training Module Presentation**
11. **Introduction of "Samuh Vachan" Activity**

12. **Introduction to School Connect 2.0 Program**
13. **Computer Department to Host Silver Jubilee Annual Event**
14. **Alumni Meet**
15. **First Year Exam Semester -I Supervision and Semester –II commencement**
16. **Monitoring of leaves for all staff through ERP**
17. **Weekly Meetings Schedule**
18. **Conclusion**
19. **Vote of Thanks**

1. Welcome Address:

The meeting commenced with a warm welcome extended by Principal Dr. P. V. Jadhav to all Heads of Departments. He began the session by wishing everyone a *Happy New Year 2025* and expressed his hope for a productive and successful year ahead for the institution.

2. Online General Knowledge Test - 2025:

Principal Prof. Dr. P.V. Jadhav emphasized the importance of the **Online General Knowledge Test - 2025**, which is being organized by Yashwantrao Mohite College of Arts,Science & Commerce Pune-38 on the occasion of Dr. Patangrao Kadam Saheb's Birth Anniversary.

- **Target Registration:** Each department is expected to secure a minimum of 100 registrations for the test.
- **Deadline for Registration:** The last date for registration is **3rd January 2025**. The HODs were instructed to encourage students and faculty to actively participate in this event.

3. AQAR 2023-24 Review:

Prof. Dr. P.V. Jadhav informed the HODs that the **AQAR 2023-24** has been reviewed by **Dr. S. S. Chorage** and was found to be satisfactory.

4. Faculty Increments and Incentives:

The Principal discussed the **faculty increments and incentives** for the academic year.

- HODs are requested to ensure that all eligible faculty members receive their yearly increments and incentives as per the norms.
- Any issues or discrepancies regarding the increments must be reported to the Principal immediately for swift resolution.

5. BVCOEW Funding Structure:

Prof. Dr. P.V. Jadhav briefed the HODs about the **revised funding structure** for BVCOEW, it includes OYSTER magazine funding, EV lab, Idea Lab, Language lab, AI & ML Computer lab to name a few. The revised funding structure has been sent for **approval** to **Bharati Bhavan**.

- HODs were advised to stay updated regarding the approval and ensure the smooth implementation of any changes once the approval is received.

6. Summary Sheet of Student Internships:

HODs were reminded to submit the **Summary Sheet of Student Internships**.

- Prof. Pranoti Kale shared updates regarding internship registrations:
    - **E & Tc Department:** 140 students enrolled.
    - **Computer Department:** 74 students enrolled.
    - **IT Department:** 76 students enrolled.
- HODs must ensure that all necessary documents are submitted on time.
- It was discussed that the internship log books maintained by students need to be checked regularly to ensure they meet the standards and guidelines set by the college.
- Prof. Dr. P.V. Jadhav emphasized the importance of log books in tracking the students' progress, learning experiences, and skill development during their internship.

7. Internship Program Collaboration:

Prof. Dr. P.V. Jadhav introduced a new approach for internship management starting from the next academic year.

- HODs will work in close collaboration with the **Department** Internship **Coordinator** to **channelize** the internship programs.
- Each department is expected to work with the Internship Coordinator to ensure that all internship opportunities are well-organized and accessible to students.
- **Internship Deadline:** A specific **deadline will be fixed for students to join internships**. This will ensure that students are placed in internships on time and can gain the necessary practical experience as part of their academic development.
- Prof. Dr. S. M. Rajbhoj will help identify the best practices for internship sourcing, ensuring that students gain exposure to valuable hands-on experience in their fields. He will be responsible for providing expert guidance on how to secure **quality internships** for students across various departments.

8. Placement Strategy for Improved Record:

Prof. Dr. P.V. Jadhav emphasized the importance of enhancing the college's **placement record** for the upcoming year. He outlined the following strategies:

- **Action Plan for HODs:**Each department must **personally contact at least 10 HRs** from industries and companies. These contacts will help build stronger industry relationships and open up more placement opportunities for students.
    - HODs are expected to ensure that these HRs are contacted and discussions are held regarding potential placement opportunities for students.
    - These interactions should be aimed at creating long-term collaborations for internships and placements.
- **Faculty Responsibility:**

  Every **faculty member** will be responsible for leveraging their own professional network to assist in student placements.

    - Faculty are expected to **give references** of companies where they have connections, thereby improving placement opportunities for students.

- This strategy will not only increase placement chances but also help build a more robust placement network for the college.

9. Introduction of Additional Sessions for S.E., T.E., B.E. Students:

Prof. Dr. P.V. Jadhav emphasized the importance of preparing students not only through their regular curriculum but also by equipping them with **real-world knowledge and skills** that will make them industry-ready. To this end, the following initiatives were discussed:

- **Additional Sessions in Timetable:**

  Starting from this semester (A.Y. 2024-25, Semester-II), a **1-hour session** (4:30 pm to 5:30 pm) will be added to the weekly timetable for **S.E., T.E. and B.E.** students.

  - The purpose of these sessions is to encourage **discussions on content beyond the syllabus**, **current job trends**, **skill upgradation**, and **industry requirements**.
  - These sessions will focus on preparing students for the job market by providing insights into the skills and knowledge required by industries and employers.

10. Training Module Presentation:

The Principal introduced the need for a structured **training module** aimed at preparing students for placement and aligning the curriculum with industry expectations.

- Prof. S.R. God will be responsible for preparing a **presentation** on the training module that focuses on the following aspects:
  - **Company Expectations:** The presentation will include insights into the specific expectations companies have from fresh graduates, including technical knowledge, soft skills, and other competencies.
  - **Placement Status So Far:** She will provide an overview of the placement trends observed so far, outlining areas for improvement and identifying the strengths that need to be capitalized upon.
  - **Student Requisites:** The module will define the necessary skills, certifications, and qualifications required by students to meet industry demands and succeed in placements.

- **Curricular Requirements:** The training module will also bridge the gap between the current curriculum and the practical needs of the industry, suggesting modifications or enhancements to better prepare students.

The goal of this presentation will be to align the college's training efforts with the demands of the industry and ensure that students are adequately prepared for the job market.

11. Introduction of "Samuh Vachan" Activity:

Principal Prof. Dr. P. V. Jadhav introduced the **"Samuh Vachan"** activity, a reading initiative for both **faculty and students**. This activity aims to promote reading habits and facilitate knowledge sharing in a group setting. The following points were discussed:

- **Activity Duration:**
  The **"Samuh Vachan"** activity will take place from **1st January to 15th January 2025**.
- **Reading Time Commitment:**During this period, all **faculty members and students** will devote **1 hour each day** to reading. This time will be specifically allotted for reading activities, fostering a sense of discipline and focus on intellectual growth.
- **Library Visits:**
  Faculty and students will visit the **college library** in groups. This will allow for collaborative reading and discussions on various materials.
  - **Action Point:** HODs are encouraged to organize group visits to the library to facilitate participation in the activity. The groups should include a mix of students and faculty.
- **Learning Documentation:**
  After each reading session, each participant will note down their **points of learning** from the reading materials.
  - These notes will be compiled and shared for further discussions and reflections, helping everyone to internalize the learnings and explore diverse topics.
- Prof. Dr. S. S. Chorage proposed that the first session of **Samuh Vachan** will take place at the Central Library on **1st January 2025**, from **2:00 PM to 3:00 PM**.

12. **Introduction to School Connect 2.0 Program**:

• The Principal explained about mail received by him from Dr. Parag Kalkar Pro Vice Chancellor, SPPU, which explained the core objectives of the *School Connect 2.0* initiative.

• The program aims to create awareness about engineering fields, showcase mini engineering projects, and highlight the scope of engineering education to students and their parents in schools and junior colleges.

• The initiative aligns with NEP 2020, promoting multidisciplinary education and career choices.

- ✓ It was proposed that the college visits local schools and junior colleges to demonstrate engineering concepts and engage with students about potential career paths in engineering
- ✓ These visits will include showcasing small engineering projects, providing hands-on experiences to spark interest in the field of engineering.
- ✓ Prof. Dr. P.V. Jadhav emphasized that HODs should take the lead in organizing and coordinating activities within their respective departments for the *School Connect 2.0* initiative.
- ✓ HODs are required to prepare Google Forms to gather information as discussed in the meeting.

13. **Computer Department to Host Silver Jubilee Annual Event**:

- It was announced that the **Computer Department** will be hosting this year's **Silver Jubilee event**, celebrating the institue's achievements and milestones.
- The event will mark 25 years of excellence and will showcase contributions of the institution and community.
- Principal Prof. Dr. P.V. Jadhav emphasized that the event should be grand and reflect the institutes growth over the years.
- A timeline will be created to ensure that the event is organized smoothly and all necessary resources are secured in time.
- Prof. Anjali Kadam, as the Art Circle Coordinator, was assigned to take the initiative for organizing this year's Tech Fest.

- Principal Prof. Dr. P.V. Jadhav announced that on the occasion of the Silver Jubilee Year, the institute is preparing a short film and Dr. Ketaki Malgi has been assigned the responsibility.
- Therefore, all HODs are requested to submit photos in soft copy format to Dr. Ketaki Malgi.

14. **Alumni Meet**

- Principal Prof. Dr. P.V. Jadhav emphasized the importance of involving **alumni** in the celebration to honor the contributions and growth of the institute over the past 25 years.
- Special efforts should be made to invite alumni from various batches, with a specific focus on the **2004 batch**, which holds particular significance being the first to pass out from BVCOEW.
- **Prof. S.M.Thorat** was assigned the responsibility of **contacting alumni from the 2004 batch** and inviting them to attend the Silver Jubilee Celebration.
- She will compile a list of alumni from other batches and reach out through various channels (email, phone calls, social media, etc.) to ensure their participation in the event.

15. **First Year Exam Semester -I Supervision and Semester –II commencement**:

- Principal Prof. Dr. P.V. Jadhav announced that **faculty members** will be required to supervise the **First Year exams** scheduled from **January 2 to January 11 2025**.
- It was emphasized that all faculty members are required to be present for their designated duties.
- The Second Semester for First-Year students will commence on **15th January 2025.**

16.Monitoring of leaves for all staff through ERP

- Principal Prof. Dr. P.V. Jadhav emphasized the importance of **strict monitoring** of **Casual Leave (CL)** and **Medical Leave (ML)** for all staff members.
- It was discussed that the **Heads of Departments (HODs)** will be responsible for closely tracking the leaves taken by staff and ensuring that all guidelines are followed.
- Principal Prof. Dr. P.V. Jadhav announced that starting this year, all leave management will be handled through the **ERP system, VMEDULIFE** for all staff of institute.

17. Weekly Meetings Schedule

- Principal Prof. Dr. P.V. Jadhav, informed all **Heads of Departments (HODs)** that **weekly meetings** will be held every **Thursday** from **2:30 PM to 4:00 PM** at the **NAAC Room**.
- In the event of a **holiday** falling on a Thursday, the meeting will be **rescheduled** to the next working day.

18. Conclusion:

- Prof. **Dr. P.V. Jadhav**, **concluded the meeting** by encouraging all faculty and staff to start the **New Year** with **enthusiasm** and **discipline**.
- He emphasized that **good input** will always yield **good output** and that each individual should dedicate themselves fully to their work.
- The Principal reiterated the importance of maintaining **discipline**, **punctuality**, and **dedication** in every task, whether it is teaching, administrative work, or any other responsibilities.
- It was noted that adherence to deadlines and punctuality would create a more efficient and productive work environment, benefiting both individuals and the institution as a whole.

19. **Vote of Thanks**:

- In conclusion, Prof. Dr. P.V. Jadhav proposed a vote of thanks to all attendees, expressing his gratitude for their continuous efforts and commitment.
- He encouraged everyone to work with renewed enthusiasm and dedication in the New Year, with a shared goal of achieving excellence in every aspect of their roles.

Meeting Adjourned: 11:30am

Sr. No.	Name of the Staff	Department/Cell	Sign
1.	Prof. Dr. P. V. Jadhav	Principal,	
2.	Prof. Dr. S. S. Chorage	Vice Principal,IQAC	
3.	Prof. Dr. S. R. Patil	HoD E & TC	
4.	Prof. D. D. Pukale	HoD Computer Engineering	
5.	Prof. P .D.Kale	Training & Placement Officer	
6.	Prof. Dr. K. A. Malgi	IT Department	
7.	Prof. A. P.Kadam	Art Circle Coordinator	
8.	Prof. S. M. Thorat	Alumni	
9.	Prof..S. A. Hadke	NSS	
10.	Prof. S. R. God	Engineering Sciences & Allied Engineering	

Minutes Prepared by: Prof. S. R. God

Date: 1st January
